³ **MARCH UPDATE AND CALENDAR MODIFICATION** - On March 26, 2026, the Board of Education finalized the modification of the school calendar for inclement weather days and lost instructional time. This calendar update aligns with the Board actions from February that included six (6) make-up days, and additional action of the Board as PGCPs was approved for a 2 day waiver of the state requirement of an 180-day school year.

IMPORTANT CALENDAR NOTES - There are 180 student days and 192 teacher days (195 for new teachers). Last days for students and teachers are subject to change. 10- and 11-month employees can refer to Bulletin M-1-23 for clarification on workdays.

****TEACHER CLOSEOUT PROFESSIONAL DAYS** – Educators will have the opportunity to complete close-out procedures during the final week for students. June 22 and June 24 are self-directed, uninterrupted educator professional workdays that may be fulfilled from an alternative work location of choice.

¹INCLEMENT WEATHER MAKE-UP DAYS - If the school year is disrupted by emergencies and schools are closed, dates identified as possible make-up instructional days include: October 2, 2025, and March 20, May 27, June 15, June 16, June 17, 2026. If no emergency closure days occur, the school year will end for students on Friday, June 12, 2026, as shown.

Please note that if more emergency closures occur than there are available make-up days and/or there are a significant number of delayed openings and/or early dismissals used, the school calendar also may be adjusted appropriately to meet the minimum required student days AND the required number of student hours.

²EARLY RELEASE DAYS - There are grading and reporting days and planning days throughout the school year. On these days (September 12, October 31, December 19, January 26, February 13, March 27, and April 22), our students are dismissed early so our school professionals can complete other duties.
